

Plymouth North Athletics Booster Club

Business owner,

The Plymouth North Athletic Booster Club, PNABC, is excited to offer affordable, highly visible advertising that reaches prime target audiences. Local businesses now have the opportunity to purchase a banner custom made with their business logo and information which will be hung at Plymouth North High School home games for an entire school year. Imagine your company's logo proudly displayed in the multi-sport arena during the fall sports season, in the gymnasium for the winter sports, and at the ball fields in spring.

A high quality 3' by 5' banner will be made and displayed for the entire school year for \$500. After the year is up your business will be offered the chance to renew for another year for \$300. Proceeds from the sale of the banners go to the PNABC for the support of our student athletes.

To reserve your banner and for more information please contact:
