

Plymouth North Athletic Booster Club

Meeting Minutes

November 12, 2015

Attendance: 21 total

Athletic Director: present; *Executive Board Members:* Tom O'Reilly, Nicole Periera, Kristen Payton, Stacia Leavitt, Julie Shannon, Jenn O'Brien, Krisin McIver; all present
Others: 12 parents/team representatives; 1 coach

Meeting called to order: 7:00pm in the PNHS Library

Reports:

October minutes approved as read

Treasurer's report approved as read- Donation from Market Basket/West End Drilling talked about, ideas to honor them with a banner and scholarship

Previous Events/Business:

Concession stand was a success this Fall, needs to be retained in the future to keep PNABC fiscally fit

Upcoming Events/Business:

Fundraisers: 1. *Holiday drop then shop*- December 12th 1-4, decided to skip 6-9 time slot to avoid extra custodian fees, sing-a-long with crafts and snacks, need athlete volunteers from 12-4 for games with kids, \$5 per child grade K-5

2. *Holiday Raffle*- just submitted paperwork for FR permission, Jenn will do flyer if PNABC gets permission, sell tickets at North/South basketball game, \$5ea or \$10/3tix, xbox4, FitBit, USA gym membership, elements message, game tickets are some items for raffle

3. *Banners*-going to switch to billing all current advertisers at one time during the year rather than tracking which month their banner is due to expire, things will be easier going forward after that first renewal year

4. *Concession Stand*- 11/20 @ 4pm freshman and jv North/South football games might be open for PNABC to sell at, Stacia will check with Pam about it

5. *New Idea*- look into the possibility of some type of moveable cart or stand to be used to sell concession foods at front fields, something that is easily set up like a canopy might work

Business from the floor:

Varsity Dance- Coach Katie has informed the meeting that her team placed 2nd at NE cheer and dance and has qualified for Nationals at Disney, she is looking for any type of assistance PNABC can give the team to help defray the cost, PNABC has pledged \$100 per dance student to cover the registration cost (20 x \$100=\$2,000), dance team can do a 2nd FR this year if they apply it specifically to this event and file the paperwork

Boys Hockey- have the AD look into including the cost of the "shells" (uniform pants) into the school athletic budget since it should be considered part of the uniform, last year the team rep was told by former AD Eric that they are not part of the uniform covered by the school so the athletes would have to buy them or hold a FR to get the money for them, the team is currently doing FR for them

Next meeting: January 21, 2016 7:00pm in PNHS library

Meeting Adjourned: 8:16pm
